## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on June 30, 2005 has been entered.
2. The previous rejection is withdrawn.

### ***Claim Rejections - 35 USC § 103***

3. Claims 1, 3-10 and 13-24 are rejected under 35 U.S.C. 103(a) as being unpatentable over Wallner, US 5,696,909.

Wallner discloses a POS system comprising a host unit having maintenance programs stored therein, e.g. 110, and a plurality of "dumb" POS terminal units, e.g. 102. Wallner does not provide the term execution programs. Official Notice is taken that execution programs used with computer transactions have been common knowledge in the electronic transaction art. To have provided execution programs in the host unit and not in the terminal units of Wallner would have been obvious to one of ordinary skill in the art.
